

# Unique & dynamic Language Institute

*At Ashley, we are all about teaching General English course to enhance your English skills, gaining lasting friendships, experiencing the Australian lifestyle and improving your employment opportunities.*

*Our course will have you interacting with the local community and understanding various cultures to build your English language. This enables you to develop core English language skills, reading, writing, speaking, listening and which you will implement in practical, interactive sessions to suit your level. Our English Language Programmes are perfect for students from Elementary to Upper Intermediate levels.*
